

I Speak Confidently

I Speak Confidently

one to one ~ speakers groups ~ workshops

“Olwen Edwards of I Speak Confidently does what she promises. She trains you to speak in public with more confidence in just being who you are, to enjoy it and to be more effective. Then you’ll get that client, that promotion, that job, and take that stand. Her sessions are great fun too!”

Suzi Zobair, Smartbear Creative.

I Speak Confidently

In business and social situations, do you want to:

- **Improve your general confidence when speaking in public**
- **Find your own unique speaking style**
- **Get your message across more effectively**
- **Make more memorable visual presentations**
- **Ensure you can speak to a given time**
- **Learn how to speak spontaneously more easily**
- **Find your natural brand of humour**
- **Receive accurate feedback and hone your skills**
